Super Lawyers is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The multi-phased selection process includes independent research, peer nominations, and peer evaluations.

Rising Stars are outstanding attorneys age 40 or under, or who have been practicing for no more than 10 years. They are nominated by lawyers who have personally observed them in action. An attorney-led research team reviews the nominations and assigns points based on a set of defined evaluation criteria. Those candidates with the highest point totals are named to the Rising Stars list. No more than 2.5 percent of the lawyers in the state are named to the list.

In the United States, *Super Lawyers Magazine* is published in all 50 states and Washington, D.C., reaching more than 13 million readers.
