services

Medical & Pharmaceutical Liability
Mass Tort & Product Liability
Copyright Law

Kelly Meredith focuses her practice on defending medical device and pharmaceutical companies against product liability and personal injury claims.

In addition to defending product liability cases, Kelly has experience in working on intellectual property disputes, including multiple copyright infringement cases.

While attending law school, Kelly worked as a law clerk and gained valuable experience while assisting with trial preparation and proceedings for a pro bono case. She broadened her legal experience as a summer associate for a civil litigation defense law firm.

After growing up in the St. Louis area, Kelly migrated south to attend Arizona State University. As an undergraduate, Kelly studied abroad in Barcelona and traveled to various countries. In her spare time, she enjoys traveling, playing arcade basketball, group fitness classes, and playing with her golden retriever Boomer.
