About Super Lawyers

Super Lawyers, part of Thomson Reuters, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates, and peer reviews by practice area. The result is a credible, comprehensive and diverse listing of exceptional attorneys.

Rising Stars are outstanding lawyers who are age 40 or younger or who have been in practice for 10 years or less. While up to 5 percent of the lawyers in a state are named to Super Lawyers each year, no more than 2.5 percent of the lawyers in a state are named to Rising Stars.
